

New Parent Information

Welcome to the HGA team! Entering team will be filled with one experience after another. You will find yourself with new questions all the time. Please know, our doors, emails and phones are always open to you. Please do not hesitate to contact us.

You will find a lot of useful information on our website www.hartlandgymnasticsacademy.com and you will receive emails from your booster club president regularly. When you are picking up or dropping off, please take time to look at the bulletin boards. Please take time to read the HGA Team Handbook as it has pertinent information in it that will help to answer many questions.

You will see the coach's information and bios on the wall in the team gym. Every fall we have a team roster sent out which includes the coaches information. That is when you will also receive the meet schedule for the season.

As a part of the team you will be required to purchase the necessary uniform late summer, obtain USAG number, be a part of the booster club, work our home meet "The All American Invitational", and support HGA any way you can.

We offer a TOPS class that gymnasts can take along with their regular training hours. See our website for more information on TOPS. If you would like more training time, open gym is every Friday from 7:30-9 pm for \$8. We also offer private lessons, just ask your coach(es).
